THE SPRING CONFERENCE ON VILLAGE BETTERMENT

UNDER THE AUSPICES OF THE MASSACHUSETTS CIVIC LEAGUE HELD IN THE TOWN ROOM - THREE JOY STREET, BOSTON, APRIL 26, 1907

5579.220

PUBLIC LIBRARY OF THE CITY OF BOSTON

Massachusetts Civic League
Oct. 1, 1909

¶ The chief parts of landscapes are their sites or openings, accidents, skies and clouds, offskips and mountains, verdure or turfing, rocks, grounds or lands, terraces, fabrics, waters, foregrounds, plants, figures and trees. We earnestly recommend to beginners not to despise the humblest subjects at first, and to see that, before they proceed higher, they can do properly what they are at.
